SYNOPSIS

Antoine is about to start his first year of medical school...for the third time. Benjamin, just out of high school, will make his first try. He soon realizes it's not exactly a walk in the park...

In a fiercely competitive environment, with nights dedicated to hard studying rather than hard partying, the two freshmen will have to adapt and find a middle ground between despair for the present and hope for the future.

After *HIPPOCRATES* and *IRREPLACEABLE*, the new film from director Thomas Lilti.
