HOW IT WORKS?

1 You need to register via the link down below before **Monday 8 May**. 

2 The selection - up to 30 students - will be announced on **Friday 12 May**.

3 An **introduction call** with participants will be organised to present the event and answer your questions.

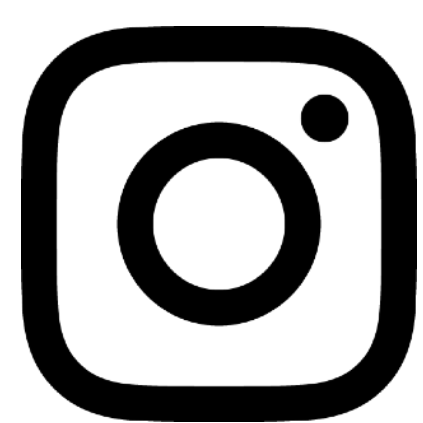

4 You will receive a **document with all the participants' profiles** (composers & film-makers) so you can identify the profiles/works, and even contact each other before the event if you want to!

5 During **LET'S MEET**, you will have the **opportunity to meet** all participants (composers & film-makers) and **discuss informally your past and/or future projects** and **create your new network!** Every participant will have a composer or film-maker badge with their name so it will be easy to identify who's who.
