# Synopsis

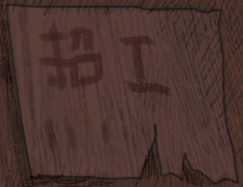

A MAN comes home just wants to sleep.

A ~~bunch~~ bunch of noisy roommate.

A crowded city in southern CHINA!"

# intension

Yep, at the very beginning, we don't want a ~~com~~ complicated story. We took out a lot of reference, such like "Masaki Yuasa's works, and, a ~~film~~ film called "(00)", we ~~that~~ think that, the key of this film is also our purpose and intension, is use exaggeration to show simple idea!
