Synopsis
A MAN comes home just wants
to sleep.
A bunch of noisy roommate.
A crowded city in southern CHINA!

intension

Yep, at the very beginning, we don't want
a complicated story, we took out a lot of
reference, such like "Makoka Yuasa"s works, and a film
called "(00)". We think that, the key of this
film is also our purpose and intension, is use exaggeration
to show simple idea!
